1. INTERNSHIP COMPLETION CERTIFICATE

Project guide: Mr. Anand Kumar.

Internship organization: EscapeMob – IT Consultancy Company.

Internship duration: 19 March 2026 – 19 June 2026.

2. ABSTRACT

This internship provided practical exposure to graphic design within an IT consultancy environment.

The work involved creating and developing visual content for social media platforms, marketing campaigns and branding initiatives.

Creative concepts were translated into engaging visual assets according to project requirements.

The internship also involved collaboration with marketing and content teams to understand visual requirements.

A major emphasis was placed on brand consistency, feedback-based refinement and timely delivery.

3. ORGANIZATION PROFILE

EscapeMob is presented in the internship material as an IT Consultancy Company.

Internship experience letter issued on 29 August 2026.

Professional work environment involving design and creative communication.

Company contact: hello@escapemob.com; +91 9717504789; GSTIN:
10NFSPK4023R1ZT.

4. INTERNSHIP OVERVIEW

Role: Graphic Designer.

Company: EscapeMob – IT Consultancy Company.

The internship focused on creating visual communication assets for social media, campaigns and branding, while coordinating with marketing and content teams.

5. OBJECTIVES

Understand project briefs, visual requirements and expected outcomes.

Translate creative concepts into engaging and visually appealing designs.

Maintain brand consistency across creative assets.

Develop materials according to project requirements.

Deliver assigned designs within specified deadlines.

6. ROLE & RESPONSIBILITIES

Creating creative graphics for social media, campaigns, and branding.

Collaborating with marketing and content teams.

Understanding visual requirements and translating creative concepts into engaging designs.

Maintaining brand consistency across creative assets.

Developing materials according to project requirements.

Delivering assigned designs within specified deadlines.

7. DESIGN WORKFLOW

First, understand the project brief, visual requirements, and expected outcome.

Develop a suitable creative direction based on communication and branding requirements.

Translate the concept into an engaging and visually appealing design.

Share the design with relevant team members and understand the feedback received.

Make necessary changes according to feedback and project requirements.

Finalize the design and deliver the assigned creative within the specified deadline.

8. AREAS OF WORK

Social Media Design: Created creative graphics for various social media platforms; developed visuals according to project and communication requirements; focused on engaging visual content; ensured consistency with company brand guidelines.

Marketing Campaigns: Created visual content for marketing campaigns; worked with marketing and content teams; understood campaign-related visual requirements; translated creative concepts into engaging designs; adapted creative materials according to project requirements and feedback.

Branding Initiatives: Contributed to branding initiatives through visual design; created creative materials according to project requirements; maintained consistency with company brand guidelines; ensured visual assets followed a consistent brand identity; adapted designs based on feedback and requirements.

Understanding Creative Requirements: Worked closely with marketing and content teams to understand visual requirements, converted creative ideas into visual designs, and adjusted the design approach according to project needs and feedback.

Design Gallery: The supplied PPT contains a placeholder for the creative work/design gallery. Actual design images were not embedded into the report because the source material did not provide them as extractable content.

9. LEARNING & OUTCOMES

Brand Consistency: Maintained consistency with established brand guidelines while creating visual assets.

Team Collaboration: Collaborated with marketing and content teams to understand requirements and project expectations.

Feedback & Iteration: Reviewed design work, considered feedback, adapted creative assets and finalized revised designs.

Practical learning included social media graphics, marketing campaigns, branding initiatives, translating creative concepts, teamwork, feedback-based refinement and meeting deadlines.

10. CHALLENGES & SOLUTIONS

The internship material emphasizes adapting designs to project requirements and feedback. This required reviewing creative work, identifying areas for improvement, modifying assets, and refining the final output while maintaining the intended concept and brand consistency.

11. SKILLS DEVELOPED

Gained practical experience in creating visual content for social media, marketing campaigns, and branding initiatives.

Learned to translate creative concepts and project requirements into engaging visual designs.

Developed experience working closely with marketing and content teams to understand requirements and expectations.

Learned to refine and adapt designs based on feedback and changing project requirements.

Developed a professional approach toward assigned work, teamwork, and meeting specified deadlines.

12. CONCLUSION & FUTURE SCOPE

Conclusion: Successfully completed the Graphic Design Internship at EscapeMob from 19 March 2026 to 19 June 2026. Gained practical exposure to social media graphics, marketing campaigns, and branding initiatives. Developed experience in understanding creative requirements and converting concepts into engaging visual content. Learned to work collaboratively with marketing and content teams.

Future Scope: Continue developing professional graphic-design skills; build a stronger design portfolio through diverse creative projects; explore more advanced branding and marketing design work.
